AITEX, Notified Body No 0161 for the application of Directive 89/686/EEC of 21st December 1989 (O.G.E.C. of 30.12.1989), Royal Decree 1407/1992 of 20th November, in which the minimum requirements that Personal Protective Equipment (PPE) must comply with are set forth.

CERTIFIES:

The Company: COFAN LA MANCHA, SA.
AVD. DE LA INDUSTRIA S/N
ES-13610 Campo de Criptana - C. Real

Has obtained **EC TYPE EXAMINATION INSPECTION CERTIFICATION**, in compliance with what is stated in Directive 89/686/EEC and in agreement with the applicable test procedures according to standards *EN ISO 13688:2013* General requirements and *UNE-EN ISO 20471:2013* designated PPE CLASS 2 against high visibility, having attained the levels of provision specified in **TEST REPORT N°2014EP2355** and in **PPE's TECHNICAL DOCUMENTATION**.

Said certification is valid for the following articles:

PPE TYPE "CHALECO REF. 1100 0025" destined to indicate the user's presence in both daytime and at night in hazardous situations with low visibility protection.

Manufactured by: COFAN LA MANCHA, SA.

PPE DESCRIPTION:

The waistcoat is a loose-fitting, sleeveless garment made from fluorescent yellow woven fabric with reflective bands applied.

It is made from a single piece of fluorescent yellow woven fabric joined by a seam at each shoulder to form a waistcoat. The front opening closes by one piece of Velcro.

Two 5 cm-wide bands of reflective material in grey are applied around the upper body.

The collar is pointed and a garment identification label is attached inside at the back of the seam between the collar and the back.

The garment is edged completely in fluorescent yellow edging tape.

The materials that form the PPE, are described in the test report n° 2014EP2355

It shall be the manufacturer's sole responsibility to furnish specific information pertaining to this certificate and the tested levels of protection.
